

International Webinar

Sustainable Beekeeping

Session 2023:

Nutrition and Feeding of Bees

Sunday, 12th March 2023

01:00 p.m. – 5:30 p.m. (GMT+1)

Program:

- 12:45 a.m. – 01:00 p.m. Welcome
- 01:00 p.m. – 01:05 p.m. Opening of the webinar
- 01:05 p.m. – 03:00 p.m. Diffusion of video clips from different beekeepers around the world explaining their practices in terms of nutrition and feeding of the bees.
- 03:00 p.m. – 03:15 p.m. Break
- 03:15 p.m. – 05:15 p.m. Varied panel of international experts in the form of a round table: they will discuss the video clips and will share their experiences and their opinions on nutrition and feeding in (environmentally, socioeconomically) different contexts.
- Exchanges with the audience are planned at various times during the debate.*
- 05:15 p.m. – 05:30 p.m. Conclusion of the day and thoughts on the sustainable techniques of nutrition and feeding of bees.

During the webinar, participants will have the opportunity to ask questions in the Questions and Answers (“Questions et réponses”), “Q & R”, section. The chat will also be opened during the entire webinar to make exchanges between beekeepers of the world easier. During the webinar, surveys on the subject will be made in order to learn about the practices and the learning processes of the participants.
